Active Ingredients per Capsule:

250 mg of proprietary full-spectrum dried cranberry fruit (Flowens®) – re-engineered and optimized for urinary tract health.*

A recent randomized controlled trial with 77 patients over 24 weeks, taking 500 mg daily of this proprietary cranberry extract, showed:

- **57%** reduction in urgency episodes.^{1*}
- **40%** reduction in patient's perception of bladder being full.^{1*}
- **16%** reduction in daily urination.^{1*}
- No significant adverse events.^{1*}

Utiva provides the most complete portfolio of natural supplements that are clinically proven to help maintain a healthy bladder and urinary tract. Working closely with doctors, nurses, and other healthcare practitioners, we have developed simple and natural solutions to help reduce your dependence on medication.*
